

**News Release – 5 November 2007**

Hafilat Industries LLC buses complete trial with the Abu Dhabi Municipality.

Hafilat provided two buses to the Abu Dhabi Municipality during Ramadan to trial modern, world class quality buses. The first an Intercity Coach on a Mercedes Benz chassis was used on the Abu Dhabi - Dubai and the Abu Dhabi – Al Ain runs. The second, a City Bus on a Volvo Low Entry chassis (provided by Famco) was used within the Abu Dhabi City, specifically on a Marina Mall – Al Wada Mall – Abu Dhabi Mall run.

Feedback was very positive both from the drivers and passengers with almost everyone wanting to know when the bus service will commence.
