...city-buses on a Mercedes Benz chassis. **"This contract reverses the usual paradigm in the UAE of importing vehicles to manufacturing and exporting vehicles"** the company said in a statement

First batch of Abu Dhabi-built buses shipped to Australia - Gulf News [8 hours ago]

"One of the advantages of building buses in the UAE for both the local and export market is the boost it provides to the UAE economy. For example, we are sourcing some of the aluminium needed from a factory in Abu Dhabi. Our policy of 'buying local' wherever possible will support home-grown companies and reduce our carbon footprint in the long-run."
