HH Sheikh Hamed also mentioned that Hafilat Industries is the region's only manufacturer of quality aluminium buses and the GCC's first European-quality bus builder. The company will raise the bar in terms of holistic quality offerings, production specification and competitiveness. All this is being made possible under the patronage of His Highness Sheikh Mohammed Bin Zayed Al Nahyan, Crown Prince of Abu Dhabi and Deputy Supreme Commander of the UAE Armed Forces, which has focused on the strategic development of the Emirate of

Abu Dhabi.

HH Sheikh Hamed praised Hafilat's efforts for developing the local industrial sector and making it competitive in the local and international markets. He added that the company's direction towards attracting the highest standards of administrative and technical staff proves Hafilat's contribution to the industry, which plays an important role in the growing industrial development being witnessed in Abu Dhabi. HH Sheikh Hamed also emphasised the wise leadership of the nation which is making Abu Dhabi one of the world's industrial hubs.
